Operational Department of LEC MARINE (KLYNE) LTD

QUALITY MANAGEMENT POLICY STATEMENT

It is the policy of LEC Marine (Klyne) Ltd to provide Electrical, Electronic Design and Project Management services to meet the needs of the Marine, Offshore and Land based Industries.

Top Management will, through periodic Management Review meetings, monitor customer satisfaction, review quality objectives and where necessary, establish new objectives. It will also review this policy for its continuing suitability to Company needs.

Top Management is committed to complying with BS EN ISO 9001: 2015 all relevant statutory and regulatory requirements and to continually improving the effectiveness of the Quality Management System.

Top Management will provide sufficient resources to ensure that staff are suitably selected and competent to carry out required duties, and where necessary trained to enable them to discharge their duties effectively, safely and to our clients' complete satisfaction. A review of staff competency and training needs will be conducted at the Management Review meeting.

The Company is continually monitoring business and quality related performance which is formally discussed during Management Review meetings.

All staff will be given a copy of this statement as part of their induction into the company and this policy will be posted on the Company notice board.

W.M. Sawyer
Managing Director
